Oh my god, are you KIDDING me, Chrissy??
Learn how to freaking tube!
Just slide forward! It's not that hard!

Josh, she's only two. What do you expect?
Gah! Look at her just standing there like an idiot!
She sucks!

You don't have a lot of experience with toddlers, do you?
Hey! I've seen enough toddlers in my life to know that this one sucks!

Watch, I'll bet the dog tubes better than this kid. Without a tube, even!
Come on, boy! Show her how it's done!
